

Obtaining Permits

Permits (Pontoon Loads)

Below is a list of phone numbers to call for permits. Also, a list of required permits that you will need to have depending on location of delivery. **All permits must be ordered and in the driver's possession prior to entering into each State.** If any state or agency is requesting more than listed below, please contact Synergy. If an unnecessary permit is purchased for a trip Synergy will not reimburse it.

IMPORTANT:

Please read all permits before leaving because some states require specific things for driving at night. All of states listed below require overlength permits (all loads that are longer than 53') and over width permits (all marine trailers). Also, The State of Wyoming requires a wide load sign front and rear and flags on the front truck bumper plus flashing amber light if you are running at night.

Montana 406-444-6130

Idaho 208-334-8420

Washington 360-704-6340

Nevada 800-552-2127 / 775-888-7410

Utah: 801-965-4580 / 801-965-4399

New Mexico: DOT.PERMITS@State.nm.us (purchase online)—10K on front steers, 11 K on each truck axle, 11 K on trailer axles, only enter carrying "pontoon boat" not "pontoon boats".

Arizona 928-688-2741 Sanders Port of Entry

Oregon 503-373-0000

Wyoming 307-777-4376

1. Dispatches to Oregon:

Direction 1:

Wyoming, Utah, and Idaho permits required.

Directions 2:
